

Translator – Internship

Technicis, professional translation expert

Technicis is the leading translation agency in the French market and is one of the top-three players in the European market. With double-digit growth and a young team, the Technicis group is undergoing rapid development, confirming its position as market leader.

Key figures

- No. 3 on the European professional translation market
- 320 employees around the world and 5,000 expert freelance translators
- International presence: France, Belgium, Canada, Spain, Finland, Italy, Czech Republic and Switzerland

Role

Working within a large, international team of professional, experienced, dynamic translators and proofreaders, your main tasks will encompass:

- Proofreading translations by both internal and external translators
- Translating texts into your native language for international clients in various fields (law, finance, tourism, technology, etc.)
You must be referred by a tutor and a senior translator will systematically proofread your work and provide detailed feedback to help you hone your translation skills.
- Adapting and revising texts in your native language
- Creating client glossaries and updating translation memories using the latest CAT tools

Your profile

You are currently a student on a foreign-language or translation Master's degree and have excellent writing skills in your native language. Fluency in French and at least one other language (English, German, Dutch, Spanish, Italian) is essential.

You also have a good command of desktop applications (Office pack) and CAT tools.
